

OCTOBER/NOVEMBER 2022 MINISTRY

Hello Friends & Ministry Partners!

Since our last update, three ladies have made professions of faith in Jesus after Sunday morning services! Two of them specifically come from a Muslim background. In addition, we continue to welcome a steady stream of first-time visitors to NBBC-Babadorie, giving a great boost to our overall average attendance with an October high of 84 in our worship service! It is encouraging to see church members inviting their friends and family to church. This growth has presented the need for more Sunday School teachers and volunteers! Our recent Game Night also welcomed visitors, and as we continue into the new month, church-wide evangelism and a Friend Day are planned for the church as well as a community event, a showing of the Jesus Film, at a local military barracks.

Visits to the local women's center have begun again. Christin, with Kaitlyn, Kameron, and our ministry assistant, Kadiatu, are continuing with the use of art to depict and present God's creation, Adam's fall, and Christ, the promised Savior, to these girls and women. In the first week's gathering, twenty-one were present. That number dipped to 19 at the last meeting as surgeries have begun for these ladies. We anticipate God using this time with those who are physically able to attend.

Prayer Requests:

- Upcoming outreach events for the church and the community
- The training and development of new Sunday school teachers and volunteers
- Ongoing property search in the Western Peninsula area
- Election year in Sierra Leone
- Our family's health

Thank you for your faithfulness in prayer & financial support!
