

JANUARY 2023 MINISTRY UPDATE

Hello Friends & Ministry Partners,

This month emphasized “Stewardship” as a means of being “Committed,” this year’s theme for the church. Additionally, the last weekend in January emphasized missions. We celebrated God’s work in Sierra Leone and abroad while challenging believers to be laborers in God’s harvest. Though we weren’t certain how well this first mission conference would be received at New Beginnings Baptist Church–Babadorie Branch, we welcomed almost 50 attendees both Friday and Saturday evenings and concluded with 81 at Sunday’s worship service. One man, previously saved out of Islam, now plans to prepare himself for full-time ministry, desiring to take Jesus to his home village.

Showing the Jesus Film continues to be a strong evangelistic tool. This month’s event had more than 200 in attendance, numerous professions of faith in Christ, and the opportunity to give 280 copies of John and Romans! While we do not have a film schedule for February as of yet, we do have a couples’ conference planned. “Date Night 2023” is set for February 18 and is intended for married/engaged/serious couples. Our purpose is to invest in the families of the church, encouraging and exhorting them in God’s plan for the home.

Please join us in praying for the following:

- God to strengthen the family through February’s “Date Night”
- God’s timing and wisdom in purchasing land
- Safe travels as we return to the US in March for Kameron’s pacemaker implant
- Election year in Sierra Leone to remain peaceful

Thank you for your faithfulness in prayer & financial support!
